It works, just ask an expert!

*"Cimi Shield Knock-Out has been incorporated into our comprehensive integrated pest management solutions, offering our customers a non-pesticide residual alternative. It has been especially useful as a complement in our thermal remediation treatments and/or sensitive accounts where medical/health conditions are an issue."*

James G. Roe, Pest Control Director  
North American Home Services - Termite, Pest  
Control and Home Inspection, Sacramento, CA

*"Our results have been outstanding. In the instances that we have utilized Cimi-Shield, we have achieved 100% control."*

Bob Wagner, President  
Wagner Pest Solutions, Phoenix, AZ

*"We have used many different products over the years at our facility, but the story was always the same; after a few weeks the biting resumed. With Cimi-Shield we are now more than three months in, and our residents simply are not being bitten."*

Angela Fonseca, Executive Director Interim  
House, Dorchester MA

*"With Cimi-Shield we get call backs we like - repeat business, not retreat demands. I hope my competitors don't find out about Cimi-Shield."*

Bob Lee, Owner/Operator  
Enviro Safe Pest Control Prescott, AZ

*"We've tried most of the bed bug control options out there. After many trials, today we are successfully, and very profitably, avenging these pests thanks to Cimi-Shield."*

Adam Eason, Owner  
Bug Busters Pest Control Services, Farmville, VA

*"We tried it and got amazing results. Now that we trust it, we are able to sell long-term control for a higher price. Cimi-Shield is a great fit for us and our customers; our profits are up and our call backs are way down."*

John Russell, President  
Action Termite & Pest Control, Toms River, NJ

*"The benefit was felt immediately. Prior to the treatment we logged many, many bite complaints ever week. Since the Cimi-Shield application our log book is virtually empty."*

Donna Miller, Executive Director  
Samoshel Homeless Shelter, Santa Monica, CA

*"Thank you for introducing me to Cimi Shield in November 2012. We had just taken over two buildings with a bad case of bed bugs. We went in with Cimi Shield and I am happy to say these accounts are bed bug and insect-free a year later. What a great tool for our arsenal."*

Todd A. Pemberton, President  
Bugs Are Gone Exterminating, Brooklyn, NY
